

## Erratum

# Erratum to “Structural and ferroelectric properties of solid-state derived carbonate-free barium titanate (BaTiO<sub>3</sub>) nanoscale particles” [Scripta Materialia 61 (2009) 891–894]

A.C. Roy and D. Mohanta\*

*Nanoscience Laboratory, Department of Physics, Tezpur University, PO: Napaam, Assam 784 028, India*

Available online 25 September 2009

Equation (1) on page 892 is incorrect, the arrow on the right shifted from first row to second row. The correct equation appears below:
