Human cytomegalovirus infection in foci of Langerhans cell histiocytosis

Virchows Arch (1999) 434:109–115

Unfortunately the manuscript entitled: Human cytomegalovirus infection in foci of Langerhans cell histiocytosis contains a mistake concerning the primer sequence on p. 110. The correct sequence is as follows:

sense primer: 5'-GATCCGACCCATTGTCTAAG-3'
antisense primer: 5'-GGCAGCTATCGTGACTGGGA-3'
