

Honour for Editorial Board Member

Professor Leo Carney, a member of the journal's International Editorial Board, has received the 2000 Max Schapero Memorial Lecture Award of the Cornea and Contact Lens Section of the American Academy of Optometry. The title of the lecture delivered by Professor Carney at the December 2000 meeting of

the Academy was 'Corneal Topography and Vision'. The award, in the form of a plaque, honours the memory of Max Schapero (1921–1972) who was a member of the faculty of the Southern California College of Optometry and served for several years as Chairman of the Section's Papers and Program Committee.
